

ADDENDUM NO. 1 - RFP 05-1014VEB

In reference to the Request for Proposal No. 05-1014VEB for playground equipment and the pre-proposal conference on Wednesday, September 22, 2004, please amend the specifications as follows:

Page 5 - Section IV - Requirements: - third (3rd) paragraph - first (1st) sentence.

Sentence should read: When utilizing wood chip style attenuation surface, treated wood timbers shall encompass the CPSC- recommended minimum safety zone under and around all play apparatus (set at a depth to be no more than 1.5 inches above the surrounding grade, except for College Hill Community Center where timbers may be set at grade and tied into existing timbers.)

Page 7 - Item 4 - Measurements should read:

- Site # 1 (Jefferson Park) Maximum space : 40' x 75'
- Site #2 (Westover Park) Maximum space : 32' x 75'
- Site #3 (College Hill Community Center): Maximum available space: 22' x 70' x 33'

City of Lynchburg will remove all existing play equipment (College Hill Community Center and Westover Park) City of Lynchburg shall temporarily remove fencing to allow construction access at Westover Park.

Vendors may return to the park sites for any additional viewing, however; any questions or clarifications will be issued only through an addendum from the Procurement Division. Contact Andrew Reeder, Parks and Recreation 434-455-5876 for directions to park sites.

This addendum must be signed and returned as part of the original Request for Proposal.

Proposal Receipt date remains the same: 3:00 p.m. local prevailing time, October 14, 2004.
